Dear Community & Local Business Leader,

We are Mosquito Creek Lake Bass Club LLC and we are looking for sponsorships for our club. We started back in 2023. The mission of our club is to create a credible club, promote the best possible conservation to the environment within the sport of fishing and foster the future of anglers of all ages.

Our club consists of approximately 60 club members that participate in 6 club events and a two day championship. We also host two open events during the season that are open to the public. While there is a portion of the entry fees that help offset these costs we are still in need to donations. The donations that we receive toward the club costs like insurance, software and hardware for the weigh-in, the winner of the points race entry fees for the upcoming season, and the end of the championship purse and banquet.

To help offset these costs and to provide a deserved experience to our members, our primary fundraising is through sponsorship donations. We have various levels of donations and based on your participation we will be providing advertisement of your business on our banner at every club and open event! the level of participation may qualify you to sponsor of a club event or even one of our open events. We are asking local companies to make a monetary donation but we will also accept gift certificates or other items that will be included in the championship final place awards. All donations are tax deductible. Our 501-C is 92-3195167.

We would like to thank you in advance for any donations you are able to provide for our fundraiser. All donations will be acknowledged and families will be encouraged to support these merchants. We kindly ask that all donations be submitted by September 19, 2025.

Levels of Sponsorship:
